

Point Place Dental | www.pointplacedental.com

Well-established, multi-doctor dental office is recruiting a full-time associate dentist to join our family practice in Stevens Point, WI. This is a great opportunity for a motivated individual to join a busy, growing practice with a high-functioning team in an all-digital, well-appointed facility. There are abundant opportunities for mentorship, professional development and CE. We offer competitive compensation and a robust benefit package, as well as a path to ownership for those interested.

The Practice Opportunity:

- Over 3,300 active patients. Well educated patient base.
- Practice is served by two full-time dentists, and one part-time dentist. This full-time opportunity is working into this growing taking practice and taking over for a retiring dentist.
- 14 operatory practice in stand-alone facility. All digital office, 3D pan, modern and well appointed.
- Highly educated, energetic and motivated staff. Full staff – experienced hygiene, assistants and admin to assist smooth transition for a new provider.
- Current clinic schedule is 4.5 days/week; will schedule according to incoming DDS preference.

Join the Team

Dr. Glen Magyera started working with Cherry Tree Dental in April of 2012 after practicing in this location for 30 years. Now in 2017, he is finally considering slowing down and would like to transition in to a dentist mentorship role within the company. Dr. Magyera has vast experience and knowledge in complex restorative dentistry, orthodontics and Invisalign, laser-assisted dentistry and the Chau Pinhole procedure.

Dr. Kimberly Kutzler is a *magna cum laude* graduate of Marquette University School of Dentistry. During her undergraduate studies she spent time shadowing Dr. Magyera, who inspired her to become a dentist. She is an active member of the community, with programs such as the Special Olympics Special Smiles, WDA Mission of Mercy and Give Kids a Smile Days.

Dr. Alison Mlodik joined Point Place Dental in 2014 and is one of four dentist-owners of Cherry Tree Dental. She is a University of Iowa College of Dentistry graduate and is a member of the ADA, and certified to offer treatment with laser dentistry.

Compensation:

- Signing/Relocation Bonus
- The greater of a guaranteed salary or percentage of collections from activity
- Office Incentive Bonus Plan based on overall location activity
- Health insurance
- Annual allowance to be used towards continuing education expenses; CTD DDS also meet quarterly for ongoing clinical CE.
- 100% of licensing covered
- 100% of liability insurance covered
- 100% of Long-Term Disability policy (DDS is beneficiary)
- 100% of all association dues and fees (ADA, WDA, local chapter, etc.) covered
- 100% of Life policy
- Generous Dental care provisions for DDS and family.
- Vacation
- 401(k) administered offering a wide variety of investment options.
- Paid Maternity leave plan.
- Path to ownership for DDS that are interested in this (it is our preferred path as we feel engaged, owner DDSs are better for the overall organization and our dentists).

This practice is part of the privately-owned Cherry Tree Dental family. Cherry Tree Dental offers a new approach to private practice by allowing our dentists to function autonomously, develop their own clinical style and focus on patients first – while we support and manage the business.

We believe in local dentistry and small practices who provide superior patient care. We value strong, lasting relationships with our dentists and we're committed to their growth, development and well-being.
